AGENDA ITEM IV:

COMMENTS FROM STUDENT, FACULTY & STAFF CONSTITUENCIES

Faculty Assembly: Matt Mingus – Discussed curriculum changes; Small changes made to the cosmetology curriculum, which included adding (2) credits to the manicuring certificate in order to meet state requirements. Dental Assisting also went through a few changes due to accreditation expectations. AS Elementary Education Program has also seen some changes to align with the other branches. Our “2000” level courses will now count towards the upper level courses that are required before a student can begin their bachelors’ program. New CPR course to replace the old CPR Topics course and we have had formal approval from the Board of Regents for a new AAS course in Fire Science. The hope is to offer by Fall

2023. We have also been approved for the Hotel, Restaurant & Tourism Customer Service, certificate in Office Specialist and certificate in Business Principles, as well as a certificate in Community Health. We are presenting to the Board of Regents in March 2023 for a new certificate program in Practical Nursing, which is meant to be a post-secondary LPN program primary aimed at high school students. This has been developed in tandem with GMCS. There is a new certificate program in Phlebotomy Technician. We will be presenting in March 2023 to the PED Professional Standards Committee for (2) alternative licensure programs. The first being Elementary Education and the other being Secondary Education. We also have a new certificate in General Education, which has been approved by the Provosts' office and will more than likely move forward. Faculty Operations met with the Executive Team and discussed the issues with the Bookstore and the Center for Academic Learning, and ways to move forward with those issues. Elections for Faculty Assembly will take place 3/31/23 through 4/14/23 and we will be electing a new President, Faculty Assembly Vice President, Secretary, (3) Faculty Assembly Committee Members, (3) Operations Committee Members and a Faculty Senator. A Basic Needs Survey, which is a statewide survey, has been put out to Faculty, Staff and Students to take in regards to housing and food insecurities. Everyone is encouraged to take the survey, as the data will be provided to legislation in order to secure assistance with these insecurities for our students, staff, etc.

Staff Council: Frank Sanchez – Staff development has been made a priority and we have had a Robert's Rules of Order training. We are currently working on some staff/faculty/student surveys on how the Staff Council can assist them with concerns, etc. Regular meetings have been established with Dr. Ezzell to keep in communication regarding all things Staff Council. Mr. Sanchez is staying involved with UNM Staff Council at main campus in order to stay informed regarding the things going on over there and how we can implement some of there ideas at UNM-Gallup. We recently held a BeKind campaign last week, which was inline with main campus. We have been asked to participate as committee members in the Staff Appreciation here at UNM-Gallup which will kick-off in a few weeks. We will work to help our staff as much as we can.

Public Relations: Richard Reyes – Focusing on UNM-Gallup publications in the news. Have had several Spring Registration ads in most publications. Also ran radio ads on Millennium Media, KTNN and KGAK. We have had some gains in social media, specifically on Facebook (+182), Instagram (+113) and Linked In (+30). Twitter has lost a total of 3 followers, and Gallup does not have a huge Twitter presence in general. The last Board Member photo has been taken so we will need to have them framed and placed in Gurley Hall. Richard has been working with Dr. Ezzell regarding a summer event, similar to the Holiday in New Mexico and a committee is being formed to kick this off. This will involve the community coming onto campus this summer to tour and learn about UNM-Gallup. A Lobo information corner has been created next to Campus Police and has received good feedback. Acrylic flyer signs have been placed on the glass doors for announcements as well. ASE Testing is up and running with 3 people scheduled this week on Feb. 23, 2023.

CHAIR'S REPORT

- A. Thank you to Board Member Cresto and Dr. Ezzell for attending Gallup McKinley County Day at the NM Legislation.
- B. More Graduation support is needed by way of attendance of additional Faculty & Staff. Staff Council tasked with a survey of Faculty & Staff to find out why they do not attend Graduation Ceremony.

AGENDA ITEM VII:
CHANCELLOR'S REPORT

Academic Affairs | Dr. Sabrina Ezzell

- A. Gallup-McKinley County Day – Chancellor Ezzell attended Gallup-McKinley County Days at the State Capitol for the legislative session on behalf of UNM-Gallup, along with Board Member Johny Cresto. HED is supporting the RPSP projects for Nursing, Workforce Development and Indian Education. Priority funding requests for all public HEIs included 15 million dollars in funding for dual credit in addition to the money received in the funding formula, 3 million in wrap around services, and 6 million towards mental health services.
- B. Dean of Instruction - search is continuing and will be completed by the end of the spring semester.
- C. Strategic Planning - Employee and Organizational Development (EOD) is facilitating and scheduling all meetings. Things are moving along slower than expected, but progress is being made. We will be having meetings on Fridays to address several themes: Funding & Resource Management, Student Support, Community Engagement & Outreach, Campus Culture and Diversity, Equity & Inclusion. The expected time frame for having the details in place is end of summer 2023.
- D. Kellogg Foundation – UNMG was in the beginning stages of working on the grant for funding of the Child Care Director position when we were notified that they wanted to increase the grant from \$100,000 to \$176,000. Dr. Primoic is the PI for the grant and we are in the final stages of the process.
- E. College of Education – 5 classes were offered this spring leading to degrees in elementary education and special education dual license. Two of the five classes were initially face-to-face on campus, but unfortunately, we did not have enough enrollment to make face-to-face classes so they went online. We have a Student Support Specialist working here at the branch for COE, who began in January 2023. They are also hiring an Academic Advisor Coordinator who will also come from Albuquerque but will specifically work exclusively on bachelor degrees at the UNM branches. Recruiting is increasing; in the past, recruitment events were 1-2 times a semester, now they are monthly. Recruitment events are happening at UNMG and GMCS.

Business Operations | Mr. Robert Griego, Director of Business Operations

- A. Robert Griego delivered the UNM-Gallup summary of current and plant fund report for 2023, period 07. Comparison of actuals for 2021, 2022 and 2023 were also discussed.
- B. Endowment Activity report for 2022, 3rd quarter was given.

Student Affairs | Jayme McMahon, Director of Student Affairs

- A. Spring Enrollment – Yearly comparison was given from Spring 2022 which was 1,690 total and Spring 2023 we are currently at 1,909 total. This includes non-Gallup (home) students, which are from other areas of NM. Of the 1909, 427 are from Albuquerque. Gallup students went from 1,292 to 1,424 in the same year comparison. In the Spring of 2020, during the Covid Pandemic, we had 2187 students and we dropped to 1690 by 2022. We are currently gaining enrollments. Fall 2019 we had 2,452 students, Fall 2021 was 1,990, Fall 2022 was at 2,097.
- B. Graduation – We will be moving to one graduation per year due to low attendance. We will be encouraging more attendance by faculty & staff.
