UNM-Gallup College Council
September 16- Meeting recap.

Chancellor
Day and time, poll was circulated. New day/time will be Tuesday at 10 am, once per month. Not the first Tuesday, as that is Safety Committee. Accelerate New Mexico Campaign. Launch on Thursday. More info to follow soon after

Faculty Assembly
Inclusive Access is a priority for FA Ops. Will work with administration and new bookstore manager in implementation. Rose Adakai will be invited to speak to FA on this topic. Director McMahon spoke to a few specifics on Inclusive Access.
Discussion of costs. Costs will depend on overall requirements of faculty.

IT
Phone lines discussion. 90 lines. May keep 30. Tracked phone lines to calculate number of lines across campus. Questions for us: How do we discuss who needs/wants/has phones. Discussion of costs. About 100 lines over. A handful of decisions need to get made; extensions, voicemail, how does it work. Need a list of options that Exec can discuss. Frank will deliver itemized asks to Executive Team.

Staff Council
October 23, all employee event, faculty and staff. Potential silent auction and live auction event, will work with UNMV for how they do their events. Lobo Lights will expand. Dinner fundraiser will go directly towards Lobo Lights. Salsa tasting contest will happen at the dinner. Question about the relationship between UNMA and UNMG staff council. Encouragement toward strengthening those relationships and connections to empower.

Campus Police
Very busy couple of weeks, traffic patterns keep changing, students walking wherever not paying attention. Proposal of a Traffic Study, additional access points to campus.

DEI
LD spoke about the DEI taskforce, Inclusive Excellence group, year-long calendar, training or information/interaction for employees/students. Campus communication planning. Taking time to get participants organized, calendar may have dates but not names initially. Bias/cultural competencies workshops. Also have branch connections and communications. Immigration issues; UNM policy? Some adult basic education students are not citizens; how does this impact our institution.

Academic Affairs
Chairs are working with faculty to behind planning spring 2027 schedule. Working with Academy and MCHS and student affairs. Chairs are also engaging with other branches and

UNMA. Faculty/Chair agreements ongoing. CTE construction project is complete. Auto Tech accreditation is ongoing. Sunset course list was released and dean/chairs are taking a look to see how this involved our campus. Aware of issues with textbooks, working together (multiple areas) to address these concerns.

Business Ops
Report of actuals due yesterday, Robert and Mary have completed that. Internal audit process is ongoing, findings may be relayed, but this gives us a chance to improve our processes. Construction processes ongoing. Storage is at a premium. Bookstore and facility management position searches are ongoing.

Student Affairs
Final enrollment numbers are in. OIA website is available. Campus safety week is next week. Please participate in any of the activities that interest you. CEEO is doing in-person training on Friday. Clery reporting due October 1, Jayme and Sgt. Perez are working on this report. Campus clinic has relocated to GH by IT area. Question about how insurance works: will process insurance claims, but insurance is not required. Vaccine clinic available? Questions about CEEO processes and where to go to talk about possible changes? Direct concerns to CEEO Director.

Law Enforcement Academy
Inventory of existing gear is ongoing. Accreditation process continues; fence is ready to be built. Permit issue. Vault door is being repaired for better and safer access.
