**Jan. 3, 2027 - Nov. 20, 2027**

*Priority deadline to apply: Dec. 11, 2026*

- **Online courses:**  
Jan. 3, 2027 - May 22, 2027
- **Hands-on apprenticeship: Fort Defiance, AZ**  
May 23, 2027 - Nov. 20, 2027

### REQUIREMENTS

- Own laptop with latest software and hardware requirements.
- Driver's license.
- Letter of intent.
- Resume.
- Good agility and manual dexterity.
- Be in good health and have the ability to lift 50 lbs.
- Basic knowledge of direct current and alternating current electrical theory.
- Good color vision.

### PROGRAM HIGHLIGHTS:

- » Study at your own pace followed by a hands-on apprenticeship.
- » The program prepares you for the state licensing exam.
- » Learn electrical theory, wiring and installation, safety procedures, the use of common hardware and materials, the use of building plans, and more.
- » Textbooks for the course will be shipped to you approximately 7-10 business days after enrollment.
- » Students will receive tools, safety gear, and monthly stipends.

**All-paid tuition could be available to those who qualify.**

Contact our office for more information.
