\_\_\_\_\_  
Project Title

**In a separate PDF Document, answer each question below using 12 point font, Times New Roman, 1" margins, and no more than 15 pages in total.**

1. Please describe the overall project.
2. How does the project align with the UNM-G mission, strategic plan and/or needs within the community?
3. How does the project demonstrate potential for measurable, positive impact on students, faculty, staff, the college and/or the broader community?
4. How does the project improve upon existing UNM-G practices?
5. What is the budget for the project?
6. What is the timeline and other resources necessary for project success?
7. What internal and/or external partnerships will be necessary for project success?
8. How does the project demonstrate service to diverse populations and reducing disparities?
