WELCOME BACK TRIO/SSS LOBOS!

TRIO/SSS Program Director Kimimila Simms

Dear TRIO/SSS Students,

Welcome back, and happy Spring 2026! I hope you had a restful break and are feeling refreshed and ready for the semester ahead. A new term brings new opportunities, new goals, and new chances to grow, and the TRIO/Student Support Services team is excited to continue supporting you on your academic journey.

As a TRIO/SSS participant, you are part of a federally funded program designed to help you persist, succeed, and reach your educational and career goals. We encourage you to take full advantage of what TRIO has to offer by coming into the center regularly, meeting with your advisor, participating in tutoring or mentoring as needed, and engaging in our workshops and events throughout the semester. These activities are not only valuable for your success, they are also an important part of fulfilling your responsibilities as a TRIO student.

This spring, we have a variety of workshops, events, and activities planned to support your academic skills, personal development, transfer preparation, and overall well-being.

We hope you will join us, ask questions, build community, and make the most of these opportunities.

Remember, TRIO is here for you, but your success is a partnership. When you stay engaged and meet program expectations, you help us continue advocating for you and providing the support you deserve. We are looking forward to seeing you in the TRIO/SSS center and working with you throughout the Spring 2026 semester. Let's make it a strong one together.

Wishing you a successful and rewarding semester,

-Kim and TRIO/SSS Team <3

NEW SEMESTER REQUIRES PREPARATION

Navigating college can be challenging, but TRIO Student Support Services is here to help you!

1. Define Your Goals:

Understanding what success means to you is essential. Take time to reflect on your personal values and what you aim to accomplish through your education. This might involve earning a degree, acquiring specific skills, or preparing for a career.

Setting SMART goals—Specific, Measurable, Achievable, Relevant, and Time-Bound—can help you establish a clear roadmap for your college experience.

2. Time Management:

Effective time management is essential for balancing coursework, studying, and personal commitments. Create a schedule that includes all your responsibilities and deadlines. Break larger tasks into smaller, manageable steps to avoid feeling overwhelmed. Utilize tools like calendars or apps to keep track of assignments and important dates.

3. Actively Participate in Class:

Being present in class and engaging actively can greatly enrich your learning journey. Interact with your professors and fellow students, pose questions, and contribute to discussions. This approach not only aids in a deeper understanding of the material but also fosters relationships that can prove valuable for networking and support.

4. Utilize Resources:

Take advantage of the resources available to you, such as academic advising, tutoring centers, and library services. These resources can provide additional support and guidance, helping you navigate challenges more effectively.

Examples: TRIO Student Support Services, Center for Academic Learning, Student Resource Center, and Native American Student Success Center

5. Foster a Healthy Balance:

Prioritize academics while also nurturing your social life and well-being. Engage in extracurricular activities, spend time with friends, and ensure adequate rest and exercise for a well-rounded college experience essential for success.

6. Stay Organized:

Using folders, binders, or digital tools for your study materials and schedule. Regularly review your progress and adjust strategies as needed to stay on top of your coursework.
