"Students can also get an idea of what it takes to transfer and when they should start the transfer process. ExxonMobil ALBUQUERQUE INTERNATIONAL BALLOON FIESTA®

Mission Statement

To conduct the world's premier ballooning event, while promoting the sport of ballooning, the City of Albuquerque, and the State of New Mexico nationally and internationally.

AIBF wishes to have balloonists from all over the world attend this event for the advancement of the sport of aerostation, renewing friendships, and promoting camaraderie among all participants.

WELCOME TO THE EXXONMOBIL ALBUQUERQUE INTERNATIONAL BALLOON FIESTA®

For nine days in October, the ExxonMobil Albuquerque International Balloon Fiesta® creates an enchanted world of special shape balloon rodeos, twilight balloon glows, and vibrant balloon-filled skies. Brisk autumnal mornings in the Rio Grande Valley create an otherworldly backdrop for the breathtaking majesty of our most popular event, Mass Ascension. The experience of watching hundreds of gentle airy giants take flight at once is humbling and inspiring. It's the allure of these magical moments and more that have continued to bring ballooning fans worldwide together for more than 52 years.

OUR GEOGRAPHY MAKES IT BALLOONING CENTRAL

Autumn is one of the most enjoyable times of year in New Mexico. This peaceful prelude to winter means that brisk mornings give way to warm afternoons, with mild temperatures throughout the day and typically gentle winds. This ideal weather, combined with its diverse altitudes and geography, makes Albuquerque an ideal location for ballooning at this time of year. The lower altitude of the river valley to the west, higher altitude of the mountain range to the east and the prevailing winds aloft create the legendary "Albuquerque Box," in which gentle winds blow in a box pattern, sometimes leading balloons right back to where they started. This natural phenomenon makes Albuquerque home to some of the best ballooning in the world.

The Balloonist's Prayer

Safe Flight Ceremony

We hope you have enjoyed your visit today and that all your Web journeys are safe and fun. In keeping with a long-time ballooning tradition, we encourage you to conclude your Balloon Fiesta® Web flight with us by reciting the "Balloonist Prayer."

May the winds welcome you with softness.
May the sun bless you with its warm hands.
May you fly so high and so well that God joins you in laughter and sets you gently back into the loving arms of Mother Earth.

Stay Safe this Halloween

TRIO Student Support Services

We prioritize your safety and wish you a fantastic Halloween!

HALLOWEEN SAFETY TIPS

**BE SMART.
BE SEEN.
BE SAFE.**

- Stay in a group
- Avoid masks that obstruct vision
- Stay on sidewalks when possible
- Look before crossing streets
- Carry a flashlight
- Avoid dark houses
- Examine treats before eating
- Get home by 9pm

TIPS FOR STAYING SAFE ON HALLOWEEN

AVOID CANDY AND TREATS THAT DO NOT HAVE AN INGREDIENT LABEL, EVEN IF YOU TRUST THE FULL-SIZE VERSION.

READ THE LABEL, EVERY TIME.

CARRY AN EPINEPHRINE AUTO-INJECTOR. ALWAYS.

ENFORCE A "NO EATING WHILE TRICK-OR-TREATING" RULE.

KEEP THE EMPHASIS ON THE FUN, RATHER THAN THE CANDY.

SWAP ANY UNSAFE CANDIES YOUR CHILD MIGHT RECEIVE WITH YOUR OWN SAFE TREATS WHEN YOU GET HOME.

USE SORTING THROUGH YOUR CHILD'S CANDY AS AN OPPORTUNITY TO TEACH THEM ABOUT READING LABELS.
