### **Comments/Announcements**

1. Institutional Priorities Survey. Let's take a few minutes to complete the survey.

The IPS captures the perceptions of the student experience through the eyes of faculty, staff, and administrators. The IPS survey you complete will align with the Student Satisfaction Inventory our students will complete.

Using these two surveys simultaneously reveals areas of agreement and disagreement between students and campus personnel, so we can:

- Confirm further the accuracy of our students' perceptions
- Identify areas for new initiatives that will be well-received campus-wide

This initiative aligns with objectives that have been identified to support *Goal 1: Student Experience and Educational Innovation* of the UNM-Gallup strategic plan.

You can access the survey through this direct link:
