Discussion/Action Items:

Committee Reports

1. Wellness Committee. No report. Current members: Frank Sanchez, Amanda Crump and Jessica Pino. Looking for more members to join committee.
2. Event Committee. No report.
3. Development Committee. No report.
4. Safety Committee. Next meeting will be Monday August 4th at 1:00 PM located at the Executive Conference Room (GH1216). Committee is in planning phases of upcoming safety week.

Executive Committee Reports

1. President. No report.
2. President-elect. No report.
3. Treasurer. June beginning balance: \$3,456.61, spent \$1,259.12 on staff retreat now left with \$2,197.49. Budget for this fiscal year: \$3,180.00. This amount comes from when business office does their budgeting. Once staff council fundraisers are complete, give raised funds to Robert or Mary so it can be built into the budget.
4. Secretary. No report.
5. Members at Large. No report. Amanda suggested group biking as an idea for staff to do. Group rides would be great with other employees. There are low level trails for beginners and trails go easy on bikes for minimal maintenance.

6. Past president. No report.

Comments/Announcements

Teams: Richard R. Shawn Frank with Student Activities will be having a Discovery Fair and would like to get departments involved to participate in fair. Question: could staff council help with purchasing swag for other departments to pass out. Response: Not appropriate due to fairness, each department should use their own budget. Public relations would make sense to help with swag but too short window of time most likely won't be able to help this year. Public relations normally stock up on swag for departments. Welcome Back for students. Kickoff Week for staff. John Zimmerman is the lead for kickoff week, no word on what's going on yet. Staff council booth for Kickoff Week, what can we do? Suggestion: hot dog stand, Ice cream social (many have liked in the past). At Executive Team meeting ask if we can spend money on a hot dog stand for commons. Staff council is thinking of different types of fundraisers that can be done, Dinner with Staff was successful. Mentioned to council members: we will support the safety committee and participate anyway we can.

Fun idea suggested: Happy hour or casual dining on Fridays, when staff can meet up after work at a decided place to have some food and drinks.
