

UNM-Gallup Staff Council Regular Meeting Minutes

3 p.m. Tuesday November 25, 2025 | Location: Executive Conference Room (GH1216) | Snacks: Frank Sanchez

Big Brothers Big Sisters presentation by Monica & Sarah

Big Brothers Big Sisters is a social justice program focusing on youth mentoring that hopes to help young people realize their potential and build their futures. Sarah talks of how it is great for youth to have someone to grow up with in the community who happens to be their role model too. It is nice for them to have someone else, not in the family, to talk to, that they may end up looking up to. This makes young people want to give back to their family and maybe even their community. Youth are matched with mentors who have similar interests. You do not need a degree to be a mentor. If you would like to be a mentor, you will need to do a couple of background checks. There is a check-in with mentors twice a month and total volunteer time to give: a minimum of four to six hours a month though consistency is important. There is a need for male mentors. There is no deadline to apply. Big Brothers and Big Sisters also have social media and allow their content to be shared. Monica encourages to meet with her if you are interested in becoming a mentor or have any questions. If you have a young person you would like to enroll in the program, please do. No youth is denied.

Bowl for Kids' sake happening April 2026. Theme is unknown right now. Great way to interact with others in the community. You can also recommend themes for this event to Sarah or Monica. Events happening every month.
