Subject: Fiscal Year 2022 Endowment Spending Distribution Report

The FY2022 Endowment Spending Distribution report for the Gallup Branch is attached. This report shows the total endowment distribution that each endowment spending account will receive in FY2022. In total, the UNM Foundation will distribute $21.3 million in fiscal year 2022 from endowments to UNM's programs and scholarships.

Quarterly Distributions
The UNM Foundation transfers quarterly estimates of the annual spending distribution to the spending accounts for the first three quarters. The final June 30, 2022 spending distribution will bring the total spending distribution for each endowment to the amount reported on the Endowment Spending Distribution report.

Next Year
The endowment spending distribution for next fiscal year (FY2023) was approved at 4.5% of the average 20 quarter market value per unit. In total, the distribution will be approximately $24.5 million, a $3.2 million increase over FY2022. The increased distribution amounts will be reflected in the September 30, 2022, quarterly distribution.

Endowment Activity Report
The Endowment Activity Report for the Gallup Branch showing the endowment results for the fiscal year through December 31, 2021, is also attached. In this report, you will see a 6.7% investment gain for fiscal-year-to-date through December 31, 2021, with a *record-high* CIF market value of $630.9 million.
