Dear Director Dominguez:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Technician program from the April 25, 2019 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program during fall of 2018.

Accreditation for your program will continue until April 30, 2024. As a result, your program will commence renewal of accreditation with submission of the Self-Study Report on April 1, 2023 and the scheduling of a site visit during fall of 2023. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,
