

Report to the Dean & Faculty Assembly: Certificate, Dental Assisting

Matthew D. Mingus
Faculty Assembly Curriculum Committee Chair

The University of New Mexico – Gallup’s certificate program in Dental Assisting was recently reviewed at the 23 March 2018 meeting of the Faculty Assembly Curriculum Committee. In a unanimous decision, and after carefully examining the material submitted by the Division of Education, Health, and Human Services, **the Committee decided to accept the Certificate in Dental Assisting program review in its entirety.** The Committee did, however, request that the following steps be taken: 1) a copy of this program’s advisory board members should be sent to the chair of the Curriculum Committee as soon as possible, and 2) a Form C removing the 3-credit Writing/Speaking “prerequisite” from the Dental Assisting program should be submitted to the Curriculum Committee as soon as possible.

This program review was well-written, included all required materials, and made exceptional use of the available data. The Curriculum Committee is confident that this program will continue to benefit and serve students well into our institution’s future.
