

University of New Mexico-Gallup Campus  
Staff and Faculty Mini-Grant Application Form  
For 2015 - 2016 Fiscal Year

(please type or print)

Division Arts and Sciences    Project Title Multimedia Displays in Math and Science

New Project: Yes  No

Have you received funding this fiscal year? Yes  No

1. Description of the project:

Through this mini-grant six digital picture frames will be purchased for the Math and Science Department. One will be housed within the department office and the other 5 will be used in Math computer lab, Biology, Chemistry, Geology/Physics labs. They will be used in the labs and housed in cabinets in the hall so as people pass by they can be informed.

Pictures and movies displayed will contain information about classes, instructors, upcoming events, student learning outcomes, test and due dates, solved problems and any other information pertaining to a specific course.

2. Rationale for how the project will benefit the faculty, staff, students, UNM-G, or the communities at large:

The following is from our strategic plan.

Strategic Direction #2: Develop Robust Technology Infrastructure and Applications  
Support creation of information technology components in all instructional areas.

The project will help add awareness to our community about our instructors, classes, programs, student learning outcomes, and upcoming events.

3. Expected outcomes or products of this project:

Peak students' interests in Math and the Sciences.  
Other areas on campus will begin to use this idea to promote their courses or programs.

4. Describe the timeline for the project, resources needed, and the person responsible for each action step.

When

November: purchase material.

Action Step

December: meet with faculty to plan and upload material to each frame.

Resources Needed

Physical plant: Move cabinets in hallway and mount the frames on the walls

Responsible Person

Tom Kaus

5. Estimated budget with justifications:
