

Getting Started

Pre-Launch

✓ **Grades**

Finish strong. Don't get too comfortable in your final year or high school. Students who finish big tend to start college strong.

✓ **Coursework**

Have you taken everything you need to take? Talk to a guidance counselor. Make sure you're ready for the transition to college.

✓ **ACT SAT**

UNM-Gallup doesn't require ACT or SAT scores for admission, but scores can be used for placement purposes. So be ready. Study. Remember your highest scores are the ones that count.

Applications are accepted until two weeks before the start of each term.

Launch
